# Press Release

## The Young's Ice Cream Charity Bike Ride Distributes Funds to Local Charities

\$60,000 raised in a one & two day bike ride

Young's Jersey Dairy, Yellow Springs, Ohio  
November 21, 2009

Through the work of local volunteers and bike riding enthusiasts, \$60,000 was raised to benefit four local charities in 2009. The four charities are The Alzheimer's Association, the Juvenile Diabetes Research Foundation, United Rehabilitation Services, and The Wellness Connection.

The Young's Ice Cream Charity Bike Ride was organized by volunteers working with Young's Jersey Dairy. The ride started and ended at Young's, with 28 mile, 56 mile, 83 mile, and 100 mile options. Two-day participants stayed overnight in great accommodations at Ohio Northern University. Riders of all ages and abilities raised money for charity and had a good time riding the well-marked routes. Food and ice cream was provided to all volunteers and riders. Each charity provided volunteers to staff the rest stops along the route.

Planning for the Eighth Annual Young's Ice Cream Charity Bike Ride on July 24 & 25, 2010 is already underway. A special thanks to local sponsors – K&G Bike Center, James Investment Research, Walt Kremer Insurance Agency, ASC Software, Barleycom's Restaurant, Xcelsi Group, James Capital Alliance, CRG, Kettering Bike Shop, Channel 2 WDTN, StahlVision, the Springfield Masonic Community, Up & Running, Chappell Door Company, Walmart, Main Dish Kitchen, SNC and Big Sky Bread Company.

*From left – Karen Myers (JDRF), Ricia Ballas (Wellness Connection), Dan Young, Janelle Forbes (Alzheimer's Association) & Dennis Grant (URS) receiving \$15,000 for each charity*
