

Be the Chef for a Day at The Golden Jersey Inn!

You are a great cook! Everyone tells you that you make the best stuffed veal, the best burgundy beef stew, the best sweet & sour pork, or the best (fill in the blank) they have ever tasted. Your friends tell you your food is so good, you ought to open your own restaurant! You're modest, but agree - your food is very good.

Well, here's your chance! Tell us about your favorite dish, the one all your friends, family, and neighbors talk about. We invite aspiring Chefs to cook their best meal for *all* our Guests at The Golden Jersey Inn!

Be a Chef for a Day! We provide all the ingredients, cooking equipment and a uniform for you. You supply the recipe and help us prepare your dish. Invite your friends and neighbors to The Golden Jersey Inn that night to taste your creation! We'll donate 20% of the sales of your meal that night to your favorite charity.

This is your chance to have fun, show off a little, and raise some money for a favorite cause. We have used menu items inspired by Chef for a Day on our menu!
